Mobile Urgent Alert  
Sprint Direct Connect Plus™\*\*

\* Additional fees may apply

\*\* DuraTR is Sprint Direct Connect Plus-ready, but the push to talk (PTT) feature will not work on the handset until Sprint launches its new Direct Connect Plus PTT solution on the Sprint network. Once Sprint launches Direct Connect Plus on its network, DuraTR's PTT feature can be enabled on the Sprint network via an over the air software update.

\*\*\* With administrator pushing from server-group can have max 250 members in each group. Manually adding on the handset, group can have max 30 members (user can create up to 30 groups with 30 members in each group).
