

# DURAPLUS

by  KYOCERA

## Essential in the elements.

### Highlights

- Sprint® Direct Connect® – next-generation push-to-talk (PTT) powered by Sprint's broadband CDMA network
- Rugged design – Military Standard 810G rugged for dust, shock, vibration, temperature extremes, blowing rain, low pressure, solar radiation, salt fog, humidity, and immersion for up to 30 minutes in up to 1 meter (3.28 ft) of water
- Additional connectors for a remote speaker microphone and charging bay (optional accessories not included)
- Robust, front-ported speakerphone for excellent sound quality in noisy environments
- LED Flashlight with dedicated button
- Non-camera phone for jobs where cameras are prohibited

### Additional Features

- Encased in a rubber, non-slip Dura-Grip® material for sure hold and extra durability
- Ultra-efficient display produces superior brightness and contrast using less power, making it ideal in outdoor settings
- Flat, stable bottom for freestanding operation
- Autonomous GPS and Java® MVM to support 3<sup>rd</sup> party apps
- Limit Use – a great tool for business managers that restricts users from utilizing certain functions on the phone
- Sprint Mobile Sync – add and edit all your contacts and groups, including TeamDC groups, online. Also allows you to transfer contacts to a new phone and erase contact information from a lost phone.
- Large font option for menus
- Bluetooth® connectivity 2.0 + EDR (includes support for Bluetooth capable PTT headsets and barcode scanners)
- SMS and MMS messaging
- Mobile web (WAP 2.0)
- Browser-based email for access to POP3 and IMAP accounts
- Multiple language support – English, Spanish
- Hearing aid compatibility (HAC): Rating M4/T4. TTY capable

### Sprint Direct Connect

- **Group Connect** - Connect instantly with up to 20 other Direct Connect users at the same time – on the fly or online.\*\* See connected members displayed during a Group Connect call.
- **TeamDC<sup>SM</sup> and Opt-in Team DC** - Nationwide group calling with up to 200 other Direct Connect users with Sprint phones.
- **Availability Notification** - Enables Direct Connect users to request the "available" status of another DC user. If the caller places a PTT call and the target user is not available, the sender can choose to be notified when the target becomes available.
- **Single Number Option** - Make your Direct Connect number and wireless number the same.
- **One-Touch Direct Connect** - Program the DC button to call a specific contact or the most recent DC number with one press of the button.

\*\*Users currently cannot include Direct Connect users with Nextel phones in their Group Connect calls. See [www.sprint.com/sprintdirectconnect](http://www.sprint.com/sprintdirectconnect) for future coverage details.

### Optional Accessories Available From Sprint<sup>1</sup>
