Sprint Direct Connect

- **Group Connect** - Connect instantly with up to 20 other Direct Connect users at the same time – on the fly or online.** See connected members displayed during a Group Connect call.
- **TeamDCSM and Opt-in Team DC** - Nationwide group calling with up to 200 other Direct Connect users with Sprint phones.
- **Availability Notification** - Enables Direct Connect users to request the "available" status of another DC user. If the caller places a PTT call and the target user is not available, the sender can choose to be notified when the target becomes available.
- **Single Number Option** - Make your Direct Connect number and wireless number the same.
- **One-Touch Direct Connect** - Program the DC button to call a specific contact or the most recent DC number with one press of the button.
- **Invites (Group Call and 1-1 Calling)** - Send an invite to initiate a group call or to a specific contact who has not yet joined the call.

**Users currently cannot include Direct Connect users with Nextel phones in their Group Connect calls. See www.sprint.com/sprindirectconnect for future coverage details.
