Highlights

• **Ultra-Rugged** — Reinforced housing, IP68 dust proof and waterproof, and Military Standard 810G protection for dust, shock, vibration, temperature extremes, blowing rain, low pressure, solar radiation, salt fog, humidity and immersion for up to 30 minutes in up to 6 feet (1.8 meters) of water.

• **Protection in hazardous locations:** Non-incendive, Class 1, Division 2, Group A-D, T4 — Certified for use in hazardous work environments where concentrations of flammable gases, vapors, or mists are not normally present in an explosive concentration (but may accidentally exist).

• **Convenient Design** — High-contrast, black and white external display and internal color display with distinct UI themes for improved readability in outdoor conditions. Large, tactile keypad and buttons for easy use with gloved hands and large fingers. Convenient top keys for quick access to activate speaker phone and end calls.

• **Loud and Clear** — Kyocera Smart Sonic Receiver, dual-mic noise cancellation, and powerful dual front speakers (>100dB level) offer excellent sound quality in noisy environments.

• **With or Without Camera** — DuraXV+ includes a 5MP auto-focus camera with LED flash and video camcorder to capture what’s important. And for jobs where cameras are prohibited, there is the DuraXV+ non-camera version.

• **Work and Play in More Places** — Global-ready roaming.

• **Connected and Productive** — Mobile Web, VZ Navigator for GPS directions, Voice Commands for placing calls, sending messages, navigating your phone and even a built-in flashlight.
