The Luxurious New Katana® LX

Uniting style, technology, design and luxury, the **Katana LX** redefines the Katana series. This gorgeous phone comes loaded with all the absolute essentials, like a camera, speakerphone, and Bluetooth®.

Bluetooth Wireless Technology

Supports wireless headsets, hands-free car kits, dial-up networking (Phone as Modem), and vCard transfer.

Speakerphone
A front-ported speaker allows for easy hands-free calls

Camera with Digital Zoom
With dedicated internal and external camera keys

Unique External Display
The unique external OLED display glows through the mirrored-finish, disappearing when not in use.

2.0" Color Main LCD
A large, bright main screen is great for features like Picture Caller ID

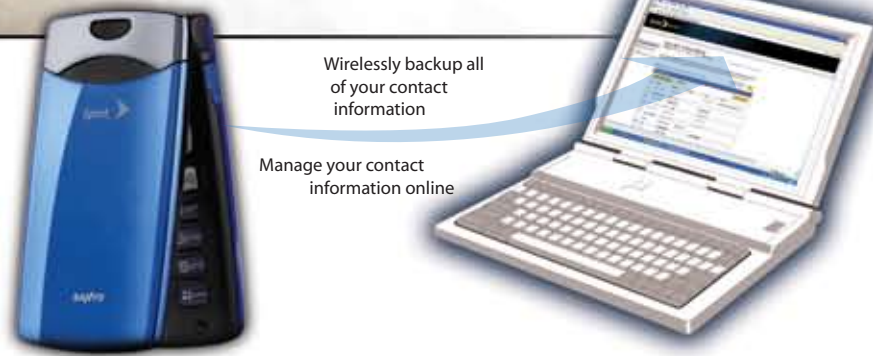

Luxurious, New Design
A new look for the Katana Series, the Katana[®] LX features a luxurious and shapely design.

User-Friendly Keypad
Tactile, illuminated keys for easy dialing and text messaging

Wireless Backup Capable

Automatically store a backup of your contacts to a secure Sprint server using this optional service. If your phone is ever lost, stolen or replaced, you can quickly restore all of your contacts. Also great for adding and managing contacts through Sprint's easy web interface.

Wirelessly backup all of your contact information

Manage your contact information online

Micro-USB Charger
New Micro-USB port for power and data connectivity.

Standard Headset Jack
Standard 2.5mm headset jack; no adapter required.

Pacific Blue

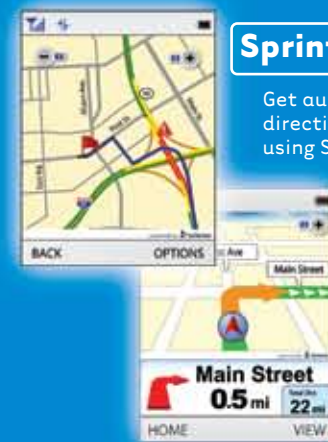

Liquid Graphite

Elegant Pink

Sprint Navigation Capable

Get audio and visual turn-by-turn directions with full-color moving maps using Sprint Navigation, an optional GPS application available from Sprint. Powerful features include voice entry of destinations, traffic alerts in major cities, a low-price gas finder and more.

Sprint Family Locator

The Katana LX is compatible with Sprint Family Locator, an optional service that allows you to locate your loved ones from your phone or the web. Convenient features like Safety ChecksSM enable parents to receive automatic location notification (via email or text message) at pre-scheduled times.

Restrict and Lock

With easy access under the Settings menu, parents and business owners can:

- Restrict Incoming and Outgoing calls to Contacts only
- Lock or unlock Sprint Vision services
- Input up to 3 "special numbers" that are always available
- Lock contacts list
- Lock camera and any pictures saved in the phone
